EDUCATORS

1. Contextualised learning – getting started

A series of short video clips that discuss why Vocational Pathways matter, and show some examples of differing practice.

2. Assessment Standards

This spreadsheet summarises all of the assessment Standards that are available across the Vocational Pathways. Updated annually, it helps educators to plan programmes for their learners.

3. Curriculum Guidance resources

The guidance resources help educators to explore the development of programmes for each Pathway. The resources outline key ideas about Vocational Pathways; possible delivery approaches, development of relevant competencies, and provides examples of practice and learning contexts. Scattered throughout the texts are questions to support reflection.

4. Internal assessment resources

There are 325 Levels 1&2 re-contextualised Vocational Pathways internal assessment resources. These resources provide assessment activities for a range of achievement standards aligned to the New Zealand Curriculum 2007. The resources provide real world activities that could support learning programmes. Access these online, at NCEA on TKI, either via the [Pathways](http://ncea.tki.org.nz/Vocational-Pathways-Internal-Assessment-Resources)¹ section or via the [learning areas](http://ncea.tki.org.nz/Resources-for-Internally-Assessed-Achievement-Standards).²

5. Programme design self review

The tool supports educators to review current programmes they are offering and formulate next steps.

EDUCATORS & STUDENTS/FAMILY

1. Profile builder

The profile builder is a tool on the Youth Guarantee website that helps students to explore their study options. Students can see where they are heading and think about where they would like to go by inputting the achievement standards they are currently doing or might like to do.

The tool can also be used to support educators when planning Vocational Pathways programmes and working with students to explore their study options.

2. Family/whānau flyer

The flyer provides a brief introduction to Vocational Pathways for communities.

3. Vocational Pathways for employers

The quick guide for employers outlines Vocational Pathways and what it means when students talk about their Vocational Profile.

4. Occupation outlook

The [MBIE tool](http://www.dol.govt.nz/publications/lmr/occupational-outlook/)³ supports people to make informed choices about their career pathways, by providing up to date information about the income, employment possibilities and cost of fees to train for a variety of jobs within each Pathway.

5. NZQA Vocational Profile and Award

In a student's record of achievement on the NZQA website, students can see their progress towards NCEA Level 2 and a Vocational Pathways Award.
