

# VOCATIONAL PROFILES

## What's in it for you?

Find out if a student has the skills you are looking for

- Identify if they have the skills you need
- See their strengths and interests
- Find out how their studies relate to your sector
- Have they achieved a minimum qualification - NCEA Level 2 + a VOCATIONAL PATHWAY ?

## Ask a student for their VOCATIONAL PROFILE

A profile shows how a student's learning relates to 5 VOCATIONAL PATHWAY sectors. Each sector has been colour-coded so you can see at a glance what a student has achieved and how this relates to your business or sector.

### Inform your choice

Ask to see a student's Vocational Profile to inform your decision about prospective employees, and the skills or qualifications you are seeking.

Vocational Pathways

### Jack's Profile

- Jack has achieved a VOCATIONAL PATHWAY in the **MANUFACTURING & TECHNOLOGY** sector. He has achieved the required sector-related standards – so he has an understanding of the sector.
- Jack also has an interest and strength in the **PRIMARY INDUSTRIES**, but hasn't yet gained a Primary Industries pathway.

### Tips

- Ask Jack to show or explain the specific skills he has learnt in each pathway
- What did he enjoy? What was a challenge? What range of skills is Josh most interested in?
- How does Josh's interests relate to your business?
- What competencies does Josh display that your business needs such as, ability to think, self manage, relate to others?
