DEVELOPMENT

Start point for me.

Landscape at my school – over 60 per cent of year 12 and year 13 do something non traditional . Decile 8 - Year 7- 13 approx. 420 pupils . No problem with retention or getting L2 for that matter

What was missing?

- Hands on learning opportunities
- Trying to cover all options
- Leaving not work ready or ready for higher vocational training

So what happened next?
