

Thinking inside the square

To help you get outside the timetable

Jen Butler

Taratahi Agricultural Training Centre

October 2013

Actual v Ideal

ACTUAL

- Timetabled 6-8 lines, 5 periods per day
- Students move between classes each period
- Teachers who are trained in a core subject/s
- Academic focused outcomes
- 70% + of students not destined for an Academic future

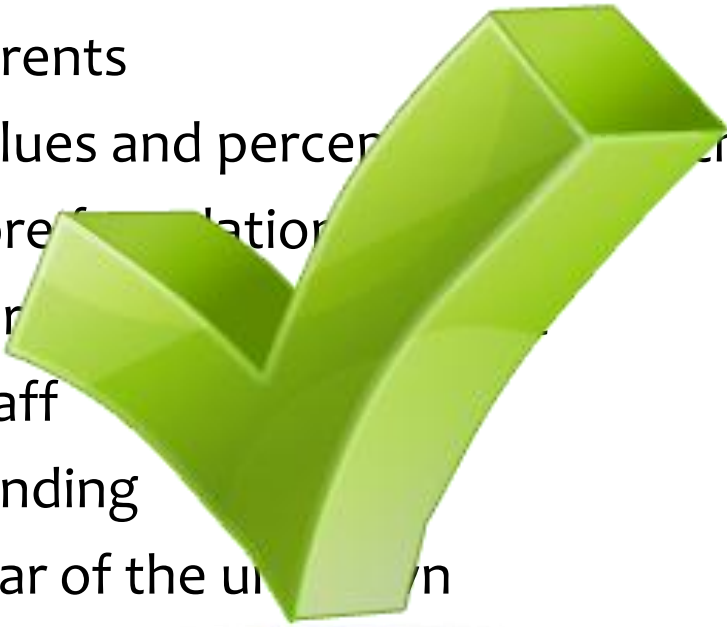

IDEAL

- Vocational Classes in all 6 Sectors
- Students train together
- Teachers who are trained in a core subject/s able to deliver this contextually
- Recognition of Success
- 100% of students destined for a clear vocation
- NCEA Level 2 or above for all students

What holds us back?

- * Timetable
- * Parents
- * Values and perceptions of schools
- * Core curriculum
- * Curriculum
- * Staff
- * Funding
- * Fear of the unknown

What can we do?

2014

- Think about timetabling a line a as a whole day for all students
- Invest in careers education and plan professional development
- Align your curriculum with the VP units
- Involve parents

Timetabled line

Project day

Trades
Academy day

Gateway day

Life skills day

University
pre-requisite
class day

trades training

Careers
education day

What can we do?

2014

- Think about timetabling a line a as a whole day for all students
- Invest in careers education and plan professional development
- Align your curriculum with the VP units
- Involve parents

2015

- Select 2 – 3 vocations to trial full classes
- Integrate tertiary theory at school
- Continue to invest in career education
- Survey and inform students and parents

2016

- 6 vocational pathway syndicates
- 2 + vocations in each syndicate
- Continue to invest in career education
- Higher NCEA achievement
- Destination tracking

How do we make it happen?

- * Decide what vocation is easiest for you to start with
- * Contact your local tertiary provider
- * Define a programme and delivery schedule
- * Advertise this to students, notify parents
- * Media
- * Staff development and KPI's
- * Secure funding

Smart funding

- * Stretching STP funding
- * Bargaining with providers
- * Collective regional preferred suppliers
- * Alignment of all training from year 9-13
- * Collaboration with responsibility of outcomes

Questions?

Thank - you
